CLASSROOM INSTRUCTOR: OBJECTIVE, DUTIES AND SKILL COMPETENCIES

Objective:

To teach Sexual Risk Avoidance abstinence education with a whole person approach in public and private school settings.

Reports to:

Program Director

Duties:

- Complete certification process as outlined below.
- Be available to teach periodically throughout the school year. Each week is a Monday-Friday commitment.

Skill Competencies:

Believe in the message of abstinence until marriage	Flexible & Adaptable
Excellent time management	Prompt & Reliable
Organized	Respectful & Courteous
Connect well with teens	Awareness of teen culture today
Engaging with curriculum	Competent public speaker
Respectful of authority	Teachable
Literate in computer, internet, & email	Comfortable saying body parts

Certification Steps:

1) *Interview* with CPR's Program Director.

2) *Complete the training.* For middle school certification training, it is a 2-day commitment. High school certification training is a 1-day commitment.

3) *Observe and Co-Teach.* You will shadow a CPR Trainer for one week in the classroom for each grade level. You will observe 2 classes, co-teach with the CPR Trainer for one class, and teach 2 classes while the CPR Trainer observes.

4) *Certification.* The Program Director will decide if certification requirements and skill competencies have been met to begin as a paid Instructor.

Note: At the discretion of the Program Director, the Trainee may be asked to cease the continuation of the certification process at any time.
